March 7th, 2019 - Daubert challenges are covered under this objection and do not have to come pre-trial. Improper Impeachment 607, 610, 613. Many things are improper impeachments, but the most important factors of a correct impeachment are: 1. Have a concise question that the witness is currently not answering truthfully. Make sure the witness answered the question. 2. Refer the witness to the previous statement, providing the opposing counsel with a page or line number to which you are referring. 3.
