Review Singular Universe and Reality of Time " Ruminations

November 9th, 2018 - All of this above does not do justice to the over all philosophical integrity of this work Drs Unger and Smolin happen to discover in one another kindred spirits as far as this business of the reality and fundamentality of time is concerned I hope there will be more collaborations between them in the future

The Singular Universe and the Reality of Time A Proposal Amazon in

March 5th, 2019 - The Singular Universe and the Reality of Time by Unger and Smolin feel in many ways like the most important book I have read in a decade Yet it is also one of the frustratingly most flawed books I have ever forced myself to read Unger and Smolin's title leaves the reader in no doubt what they will argue they are in favor of a time model where the future is actually unknown and disagree with all multiverse models Unger takes on the job of arguing these points in philosophical terms
