American Music A Panorama Fourth Concise Edition

March 5th, 2019 - his fourth edition of American Music A Panorama embraces again Kingman's attractive idea of American music as a series of more or less distinct but parallel streams The concept is laudable not only because it casts aside evolutionary models of music history of which the chronologicalhistorical approach is a symptom but also the equally suspect notion of America and its culture as a "melting pot". A more accurate description might be "mosaic" but even better than that is
